ATLANTE

SPECIAL REFRIGERATED CABINET

The **drop-in unit** can be installed in a large number of base cabinets made of various materials. What distinguishes it from other drop-in units available on the market is that the base unit can remain open. This results in a **wider choice of possible base units** than would normally be the case.

Another distinguishing feature is the display, which has a transparent frame with side panels made of 20 mm acrylic glass.

CUSTOM DESIGN

All our display cases can be matched to the visual identity of your store in terms of their colours and materials.

FLEXIBILITY

Can be installed in a large number of base cabinets.

SERVICE

Easy and hassle-free maintenance.
