BOZEN

REFRIGERATED WALL CABINET

Cost and energy savings!

Our Bozen multideck consumes up to **20% less energy** than similar products by using **500 g of R290 refrigerant**.

This large-capacity wall cabinet provides outstanding flexibility for presenting your products. There are numerous cabinet configuration options and a wide choice of accessories.

REASSURING TO KNOW

Containing up to 500 g of R290 refrigerant, our Bozen refrigerated wall cabinet achieves perfect refrigeration performance.

TOOLBOX

Numerous options for presenting products.

ENERGY EFFICIENCY

Energy savings of up to 20% thanks to the integrated double air curtain.

OPTIMUM PRODUCT PRESENTATION

Energy-saving frameless glass doors are available on request for optimum product presentation.

CUSTOM DESIGN

All our display cases can be matched to the visual identity of your store in terms of their colours and materials.
